

PROGRAMME 7th May

9AM to 10 AM

How to do – Learn from the experts

Chair persons: Dr.CG.Bahuleyan, Dr.K.Suresh

*IABP –Dr. Rony Mathew

*Interatrial Septal Puncture-Dr.Krishnamoorthy K.M.

*Septal Ablation in HOCM-Dr. Pratap Kumar

*Thrombus Management in STEMI-Dr. Deepak Davidson

10 AM To 10 45 AM

Guest Lecture: Dr.Ajit Mullesseri

Stem cell therapy in post myocardial infarction LV dysfunction.

Chair person: Dr. Jayagopal P.B.

11 AM To 11 45 AM

Workshop

Statistics for the Clinician –: Dr. Tiny Nair

Chair person:Dr.Raju George

11 45 AM To 12 15 PM

Contrast Echocardiography

Chair persons: Dr.V.V. Radhakrishnan

How to set up a contrast echo programme?-Dr. Rajeev C

Clinical utility of Contrast Echo. -Dr.Ramakrishnan.

12 15 PM To 1 PM

Pre Procedural Echo Assessment

Chair persons DrAshraf S.M., Dr.Binu S.S

*BMV-Dr.Bijulal S

*ASD Closure-Dr. Rajeev C

*PDA Closure – Dr. Rajesh G.

1 PM To 2 PM

Lunch

2 PM To 5 PM

CD Presentations

Chair persons: Dr.C.G.Bahuleyan, Dr. AsokanP.K.

LMCA/Bifurcation lesions/Primary PCI/Difficult cases/CTO

Non coronary / Carotids / peripherals/Cath Lab Nightmares

Tortuous vessel

Angioplasty in tortuous vessel DrSunitha TVM MCH

Bifurcation lesion

Provisional TAP Stenting for bifurcation lesion Dr Praveen velappan MCH TVM

Ostial lesion

Missed Ostium. DrSunitha TVM MCH

Ostial lesion angioplasty . Dr.Sunitha MCH TVM

CTO

CTO Coronary fistula spontaneous dissection Dr.V.L. Jayaprakash,Kottayam MCH

CTO antegrade failure, Retrograde approach DrBaiju, - CD

Myocardial bridge

A case of myocardial bridge Dr Sreekala, Kollam

ISR

Type 4 ISR Dr.V.L Jayaprakash, Kottayam, MCH

ISR in DES Dr Sreekala, Kollam

Anatomic Abnormality

Abnormal Origin Of RCA CTO Dr. V.L. Jayaprakash, Kottayam MCH

Radial

Transradial Deadlock Dr. Praveen GK TVM MCH

Nightmares

Contrast Allergy Sajan Ahmed TVM MCH

Final Image after PCI – How Important is it ? Dr Krishnakumar, PRS Hopital TVM

Retroperitoneal hematoma after peripheral angioplasty sunitha TVM MCH

Unusual tamponade Post PPCI DrSanthosh KR, PRS Hospital TVM

DEB

A Case of unstable angina treated with DEB Dr Sreekala, Kollam

Coronary fistula

Coiling of iatrogenic coronary cameral fistula after PCI Dr.George Koshy, TVM, MCH

Non-Coronary

Device Closure of ascending aortic graft pseudo aneurysm Dr Rajesh G Calicut MCH

Post EVAR Cholesterol Embolism Dr.Ashraf, Sahakana Hridayala, Pariyaram

Primary Aortic Fenestration in a case of Acute IWMI with Extensive Type a Aortic Dissection
Dr.Ashraf Sahakarana Hridalaya,Pariyaram

Endovascular repair of Carotid pseudoaneurysm, Dr CG Sajeev, Calicut, MCH

Renal angioplasty in Flash Pulmonary edema Dr Sreekala, Kollam

Acute Idiopathic popliteal artery occlusion Dr Sreekala, Kollam

ECHO Presentation Dr Jayagopal , Pallakad

PROGRAMME 8th May

9 AM To 10 AM

Symposium on Myocarditis

Chairpersons : Dr.Venugopal.K. Dr. Tennyson

*Clinical Features –Dr.Cibu Mathew

*Diagnosis / CMR _Dr. Rajesh T

*Management -Dr.V.L.Jayaprakash

10 AM To 11 AM Challenges: Asymptomatic Diabetic Multivessel Disease -medical management/ PCI/ Surgical management

Chair persons:Dr.SahasranamK.V., Dr.P.P.Mohanan

Speakers: Dr. Manu Varma, Dr. Sunitha Viswanathan, Dr. Y.Y.Nazar

11 AM To 11 15

Inauguration program

11 30 AM to 12 Noon

Oration

Prof. Sudhayakumar

Chair persons :Dr. R.J. Manjuran, Dr. Tiny Nair

12 Noon To 1 PM

Award Session (Free Papers)

Chair Persons:Dr.Geever Zacharia,Dr. Ramakrishna Pillai

1. To compare the efficacy and safety of Eplerenone versus aldactone in patients with ST elevation Myocardial infarction with LV dysfunction (EAST Trial).

Dr Thomas John. DM Resident Medical College , Trivandrum).

2 .Pulmonary Arterial Capacitance (PAC) in Mitral Stenosis and Effect of PercutaneousTransmitralCommissurotomy (PTMC) on PAC.

Dr K. Tamil Arasu, Amrita Institute of Medical Sciences, Kochi,

3. Comparison of echocardiographic LV systolic function in patients with coronary artery disease having fragmented QRS versus without fragmented QRS, but with wide QRS and/or Q waves on resting 12-lead ECG.

Dr Frijo Jose A, DM Resident in Cardiology, MCH Calicut

4. Natural and unnatural history of Sinus Node Dysfunction -

A comparative study of patients who had undergone permanent pacemaker implantation versus conservative treatment

A.Abdul Salam.DM Resident, Medical College, Kottayam

1 PM To 2 15 PM

Lunch / GB meeting

2 15 PM To 3 15 PM

Free Papers

Chair Persons: Dr.Padmaja N.P., Dr. Johnny Joseph

1.Clinical and Angiographic profile of Coronary Artery Ectasia

Dilu.V.P, K Jayaprakash, V L Jayaprakash,RajuGeorge,Medical College Kottayam

2. Electrocardiographic patterns of Hypertrophic cardiomyopathy patients and their echocardiographic correlation

Girish P.V ,Prof . M.N.Krishnan ,Prof. C G Sajeev,Asso. Prof. Rajesh .G, Asso Profs.Kadhermuneer,D.Vinayakumar, Haridas

3. Comparative study of reperfusion strategies in STEMI patients over 80yrs of age

Dr.ShifasBabu. M, DM trainee, Department of cardiology, Medical college, Thiruvananthapuram.

4. S wave in Pulmonary Embolism – a new ECG sign to aid Thrombolysis

Dr. Sajan Ahmad Z , DM trainee, Department of Cardiology , Govt. Medical College, Trivandrum ,

3 15 Pm To 4 30 PM

Symposium on ‘Hypertension 2011’

Chair Persons: Dr.Madhu Sreedharan, Dr.A.C.Rao

Are diuretics obsolete – DrRachel Daniel

Are betablockers obsolete – Dr.K.R. Santosh

Combination therapy for all hypertensives?- Dr. Abilash T.P.
