

**Cardiological Society of India
Kerala Chapter
Summer Conference**

**8th & 9th of May, 2010
Lulu International Convention Centre
Thrissur**

Dear colleagues,

On behalf of the Organizing Committee it is a great honour to invite you to the Summer Conference of CSD Kerala Chapter to be held at Thrissur on the 8th and 9th of May 2010.

During this two day event we have tried to incorporate the vital aspects in invasive and non-invasive cardiology. First day will be the pre-conference workshop which includes lectures on imaging and invasive cardiology, how to do session, guest lecture and CD presentations. Second day programme includes annual oration, paper presentations, debate on cardiac evaluation of asymptomatic subjects and a quiz programme for post graduates. Best paper in the award session will be given the "Young Investigator Award"

We once again extend to you our warm welcome to join us in the conference.

With warm regards

Prof. A. George Koshy
